Christmas Set – Coloring Pages

These Christmas coloring sheets are for children ages 4-7 years.

Each one of them tells part of the Christmas story from the Bible.

These may be used individually, or as a set.

If you decide to use them as a set, you might present them all at once, or separately.

When the children are finished with them, they can be bound together by punching holes along the side of the pages and putting loops of yarn through the holes.

Each page has different things that can be done to it OR you can just color them! 😊

SUGGESTIONS FOR VARIOUS PAGES:

Bethlehem
- Color the sheet and glue it to a larger piece of black construction paper. Use this as the front of your book, if you make one.

Christmas Star
- Use glitter and glue to create a shining star.

Stable and Manger
- Color the page carefully. Add some animals around the stable. Consider using animal stickers or stamps. Draw in the star above the stable.

Angel
- Color the sheet with markers or crayons. Glue yarn around the edges of the angel’s wings.

Shepherds
- Draw in the hands, feet and faces of the two shepherds. Color their clothing as well. Consider drawing in a few sheep!

Christmas Tree
- Use a variety of items (glue, glitter, sequins, etc) to decorate the Christmas Tree!

John 3:16
- Color in the holly and berries. Talk about the verse and what it means.

Peace on Earth
- Color the globe. Glue the paper to a larger piece of black construction paper. Use as the inside back cover of the book, if you make one.
