

# I Believe in Christmas

Music and Lyrics by Lee Martin

I believe in Christmas

I believe in Jesus

I believe the story is true.

I believe forgiveness came down to us from heaven.

I believe in Christmas. Do you?

1) I believe a virgin conceived a son to be the Prince of Peace

I believe the manger was where she laid the tiny King of kings.

I believe in Christmas

I believe in Jesus

I believe the story is true.

I believe forgiveness came down to us from heaven.

I believe in Christmas. Do you?

2) I believe in angels who came to tell the shepherds the good news.

I believe in starlight that led the wise men all their journey through.

I believe in Christmas

I believe in Jesus

I believe the story is true.

I believe forgiveness came down to us from heaven.

I believe in Christmas.

3) Do you believe the greatest story ever told?

Do you believe that Jesus came to save your soul?

Do you believe He died upon the cross, and when everything seemed lost,

He rose again to give us victory?

I believe in Christmas

I believe in Jesus

I believe the story is true.

I believe forgiveness came down to us from heaven.

I believe in Christmas.

I believe in Christmas

I believe in Jesus

I believe the story is true.

I believe forgiveness came down to us from heaven.

I believe in Christmas. Do you?

I believe in Christmas. Do you?

I believe in Christmas. Do you?
